FLINT BURNS .- Kugene Flint was before the Police Court Thursday for vagrancy. He was discharged, and was told to seek other quarters and not to remain in Rich-mond. Flint started out, intending to lo-cate in Henrico, but night overtook him, however, just as he arrived in the county. and he concluded to rest until morning in an open field. Before going to sleep Flint built a fire near his resting-place so as to keep warm during the night. While asleep the grass around him caught fire and burnt him very badly on his back and arms. He returned to Richmond, and was again before the Police Court yesterday. The Justice ordered him to be sent to the almshouse for treatment.

FIRE YESTERDAY .- The alarta of fire turned in yesterday morning at 11:20 vict labor, being the special order of the o'clock from station No. 23, corner of Sev. day yesterday, came up in the Senare, and enteenth and Marshall streets, was caused by the burning of a few shingles upon a bill leading off in a strong speech in behalf frame house, No. 1709 Venable street, occu- of the bill. Messrs, Henry, Picketz, Smith pled by colored persons. The fire caught of Nelson, Walker, Cannon, and others from sparks from the chimney, and was extinguished before any serious loss was sus- warmly.

Egg-THIEF .- Charles Robinson (colored) was arrested and locked up in the Second police-station yesterday on a charge of havrious persons under false pretences with intent to steal the same. He is thought to be the thief whose exploits in egg-stealing have already been published in the Distriction of the half of the House of Delegates. ing obtained a quantity of eggs from va-Police Court to-day. Several countrymen again Tuesday. who have had eggs stolen from them have identified Robinson as the thief.

ATTEMPTED SUICIDE. - Gennetta Shepherd, a resident of Cash-corner, attempted to take | noticeable. her life Thursday night by drinking laudanum. She was discovered in an unconcious condition, lying on Cary street, about 12 o'clock at night, and was taken to the First police-station. Drs. Brock and Riddell attended her and succeeded in restoring her to consciousness.

We have on hand a full supply of our well-known brands of MASS AND STICK LICORICE, comprising the following brands:

G. Y.G., "CROWN Y.G.,"

ANCHOR. P. S., "B. B.," PURA VERA,

XXX and VICTORIA STICK,
and respectfully ask orders from Tobacco Manufacturers, guaranteeing satisfaction in the quality of our goods. PROPESSOR WINSTON ON THE SUN.-Professor C. H. Winston, of Richmond College, will deliver the third of his series of lectures on astronomy at Association Hall next Tuesday evening. His subject will be "The our goods.

We are the COLE OWNERS of the above-named brands, and any Licorice officed for sale and represented as of the same quality, under another brand, is a fraud upon buyers. The genuine brands of the above Licorice can only be bought from us or our authorized agents.

THE DOWNEY HOSPITAL-PAY OF MANCHESTER JUDGE-PETERSBURG GAS-LIGHT COMPANY-CONVICT-LABOR VS. HONEST LABOR-THE OF THE HOUSE CLOSED TO THE PUBLIC-THE WHOLE NEGRO VOTE OF THE STATE-PUBLIC DEET - CAUCUS LAST NIGHT, &C.

The following is the blank form printed for the use of the Governor in com ing the judges recently elected by the Gene-Indications for To-Day .-- For the Middle | ral Assembly :

"THE COMMONWEALTH OF VIRGINIA, "To All to Whom these Presents Shall than twelve feet in length.

Come-Greeting: Know you, that our Govduties of his office according to law.

"By the Governor:

"Secretary of the Commonwealth." THE DOWNEY HOSPITAL.

The Senate has already passed, under a suspension of the rules, the bill to meor-Reports, indicating much prosperity, Delegates. It is understood that the Board PAY OF JUDGE OF MANCHESTER.

Major Walker, of Chesterfield, and Mr. Riddleberger, were opposed to each other yesterday in the Senate when the bill came up to reduce the pay of the Judge for the city of Manchester from \$800 to \$500. The Judge of Winchester receives 8500, and Major Walker contended that it was unjust o saddle upon Manchester the payment of this large salary, when Winchester, which this large salary, when winenester, which is as large a city as Manchester, only pays \$500. He argued, too, that Manchester wanted to take part of the judge's pay to help to repair the Free bridge.

Mr. Riddleberger spoke several times against the bill and in advocacy of the resignanting, which was that

report of the committee, which was that the till should not pass. He answered Ma-jer Walker's argument on the Free-bridge,

The bandsome new freight depot just

The bandsome new freight depot just The handsome new freight depôt just hills, and e used the rioters to retire to the mountains. This section of country is inhacompleted by the Richmond, Fredericksthe west end of Broad Street, is an ornament to the city and a credit to the company. It was planned by Major E. T. D. Myers, general superintendent of the company, and for solidity, beauty of finish, tion, and recruits rapidly joined them. The completeness of arrangements and modern completeness of arrangements, and modern improvements, it is probably unsurpassed but kept up constant communication, by by any freight depôt in the country. There are unquestionably many gigantic structures of this kind which would by communication by means of non-combatants, with the furnace. At dark Captain Magnuder determined to make an effort to drive them together and completeness in the respects we have mentioned this one is second to none, while its means of obtaining light and method of drainage is ahead of anything yet introduced in buildings of this kind.

The building is situated at the contract of the furnace, seeing that a collision was brevitable, communicated with the rioters and the rioters are rioters. duced in buildings of this kind.

The building is situated at the northwest corner of Broad and Hancock streets, and occupies the site of what was formerly a considerable ravine. This has been well purse-nels, within the waters of the Rappahannock, between the 1st day of June and the 25th of August of each year.

The building is situated at the northwest corner of Broad and Hancock streets, and occupies the site of what was formerly a considerable ravine. This has been well graded, and base walls of heavy James-river grantle majoury built upon terra firma—at some points not less than 20 feet in depth—form the foundation. Upon this is creeted the handsome brick structure, were discharged to discharge the colored bands. The rioters and agreed to discharge the colored bands.
